

BNSSG SPONSORSHIP RECRUITMENT SCHEME

Sponsored Care Worker Training

Caring in the UK is a **FREE** full day of training (9:30 for 10am start until 16:30) for your sponsored workers and covers a range of topics such as care values, good communication skills, good record keeping, and delivering care with dignity and respect.

This session is ideal for all your sponsored care workers even if they have been in the UK for a while, as it may give them additional insight into our person-centred care sector.

"I learned more about how to care for residents with dementia providing care with dignity and respect. Knowing their culture helps a lot in my work."

This Caring in the UK Cultural Awareness Training for sponsored care workers is organised by Bristol City Council, and is delivered by ASH training. If you have any questions about this training please contact victoria.smith@bristol.gov.uk
