

BNSSG SPONSORSHIP RECRUITMENT SCHEME

Knowledge Webinars

The one certainty with being a sponsor is that there is always something new to know.

We are happy to say that Lifted are partnering with us to deliver a new series of **FREE** knowledge webinars to support you on your journey. These will start at the end of this month. Lifted will share their expertise and insight of the care sector and immigration with these sessions.

Over the summer we asked you to complete a quick survey with the topics that you would like to see covered. Four main areas that proved popular with those who responded were; sponsor responsibilities looking at immigration and employment law as well as meeting pay and conditions requirements, help with auditing and compliance, and understanding the right to check requirements.

With these in mind - here are the first three sessions of the new series:

Self-auditing & Compliance - Keeping your business compliant and avoiding common mistakes of revocation according to the latest data

Wednesday 24th September 2025 10:00 - 11.30

Employer's Responsibilities - Key immigration and UK Employment Law requirements that you need to know

Tuesday 21st October 2025 10:00-11.30

New Sponsor Licences - Supporting in-country sponsored workers and other visa routes

Wednesday 26th November 2025 10:00-11.30

We look forward to seeing you there.

Lifted are sponsorship-in-care experts. They are both regulated immigration advisors and former care providers.

Their technology platform automates all immigration compliance and helps protect your sponsorship license. Their expert team can also support you with obtaining new Certificates of Sponsorship.

Rachael Crook will be running the webinars alongside Lifted's Immigration Advisors.

Rachael founded Lifted after struggling to recruit for her own care business. She is also a former Senior Advisor to the Prime Minister and an Obama Leader.

Have you joined our scheme? Sign up today

The scheme offers a number of benefits for BNSSG Care Providers- check them out here:
