

BNSSG SPONSORSHIP RECRUITMENT SCHEME

Knowledge Webinars

The one certainty with being a sponsor is that there is always something new to know.

We are happy to say that Lifted are partnering with us to deliver a new series of **FREE** knowledge webinars to support you on your journey. These started in September with our first set of three webinar sessions. Lifted have been sharing their expertise and insight of the care sector and immigration during these sessions.

Over the summer we had asked you to complete a quick survey with the topics that you would like to see covered. Four main areas that proved popular with those who responded were; sponsor responsibilities looking at immigration and employment law as well as meeting pay and conditions requirements, help with auditing and compliance, and understanding the right to check requirements.

Our last session in this set of webinars is aimed at local care providers who have not yet embarked on the sponsorship journey but may be considering becoming a sponsor in the future:

New Sponsor Licences -

Supporting in-country sponsored workers and other visa routes

Wednesday 26th November 2025 10:00-11.30

We look forward to seeing you there.

Lifted are sponsorship-in-care experts. They are both regulated immigration advisors and former care providers.

Their technology platform automates all immigration compliance and helps protect your sponsorship license. Their expert team can also support you with obtaining new Certificates of Sponsorship.

Rachael Crook will be running the webinars alongside Lifted's Immigration Advisors.

Rachael founded Lifted after struggling to recruit for her own care business. She is also a former Senior Advisor to the Prime Minister and an Obama Leader.
